What! do without a paper? No, I've tried it to my sorrow: So, to subscribe for one, I'll go, Nor wait ustil to-morrow. Should lovers hang or drown themselves, Or other foolish caper, I never get to hear of it-I do not take a paper!

Why, there's my neighbor, Tohy Stout, He reads the Weekly News, And having news to talk about, He never gets the blues; While others vawn in ennui. His mind is light as vapor; The cause is plain to half an eye-

He always takes the paper! While neighbor Stout hears all the news, And knows each current price, And always minds the P's and Q's By taking good advice;

Of poultry, coffee, taper, Of any kind of merchandise-Because I take no paper? Though I have studies which require Much time and mental labor, Yet I can spare a little time As well as Stout, my neighlor; Though time be precious, I can use and, if the truth must be told, enjoyed the frolic make our establishment such, that those who may want A longer midnight taper.

And thus find time to read the news with as lively a zest as any one present,

The Red Enr, or the Husking Prolic. BY T. S. ARTHUR.

Therefore I'll take the paper.

affected by art.

who meet to enjoy themselves in their own way. gree, is not to be met with every day. In former eselve, gais-make a long arm, and let the men more and more of their spirit; and, when they as semble for enjoyment, they check their impulses restrain their movements, and hush almost into silence the merry laughter that seeks to leap forth "huskings" are not what they were. Instead of and maidens, stripping from the bright ears of grain their leafy covering, amid the laughter, music, and mingling of sweet voices, as of old, mere labor comes in too often to perform the service, and si-

A Tonic which gives tone and strength to the nervous system. the flowers ever blooming on his heart. With him povices, took the floor and did their utmost. the annual "husking" was never omitted. It was, 'Twas right and left and down outside, six round and back like Christmas and Thanksgiving, almost a sacred thing, half involving sin in its om ssion.

is enjoyed in a way never to be forgotten.

Kate Mayflower, a wild romp of a girl from Bos -was spending a few weeks in D---, when clock which stood in one corner of the kitchen, but twelve; then broke up the jolly gathering."

So it was studd farmer Bia dey's. When K miles from the village. Kate had heard about ed her determination to be at old Ephraim Bradhusking parties, and her young spirits leaped up | fey's when the next " husking" came off. when the assouncement was made that one was | to be held in the neighborhood, and that she was invited to be present. It was a frolic that, from all she had heard, would just suit her temperament, and she set off, when the time came, to make one EAGLE CLOTHING STORE, Dr. Isaac Swift, Ravenna; A. V. Horr, Shalersville

looking on as the young folks gathered with bright faces around the golden grain, "now for a good old fashioned time. If there is not half a dozen All of which will be effered at lower figures than can fashioned time. fashioned time. If there is not half a dezen weddings betwen this and Christmas, I shall say be purchased elsewhere in the county. Call and e ine for yourselves before purchasing elsewhere. there is not much virtue in red ears." As he ceased, down dropped, amid gay voices and

laughter, the whole company upon the floor in all graceful and ungraceful positions, in a circle around the pile of corn. Kate alore remained standing.

Supply of Hats of the Fall Styles. Also Kossuth Hats, and Cloth. Plush and Oil Cloth Caps, for sale as act with it

"Here's room for you, Kate," oried one of the girls who had come with her, making a place by will be put at low figures. Call and see them. her side; and down sank Kate, feeling for the first | Sept. 29, 1852. times little awkward and confused. Beside her was Every family should have Copy. a stout country youth, whose face was all anticipated pleasure. The city girl eyed his rough

elose if you want a good fire."

Kate could not help laughing at this. As she laughed, he added:

"All free and easy here." He had grasped an ear of corn and was already stripping down the husk. Philadelphia. "A rod ear, by jingo!" suddenly burst from his lips in a tone of iriumph, and as he spoke he sprang towards, or rather upon Kata, with the grace of a young bear, and ki-sed her with a smack that might have been heard a dozon rooms off. Ere sha had time to recover from her suprise, and, it must be admitted, indignation, occasioned by this unexpected assault upon her lips, the haro of the first "red ear" was half around the circle of struggling girls kissing both right and left with a heartiness that awoke shouts of applause from the young "fellers" who eavied his good fortune.

That was a new phrase in the life of Kato She had heard of kissing as an amusement among young folks, and had often thought that the custom was too good to become obsolete; but a practical view, and a personal participation like this was a hing that her imagination had, in none of its vagation, he circle, and seated herself close to the pile.

The dear of freit \$50\$ if falling to cure any case of severed disease that may come under his care, no matter how long standing or milicing. Either sex are invited to she private rooms, 38 North Seventh street, Philadelphia.

Dr. Hunter will forfeit \$50\$ if falling to cure any case of severed disease that may come under his care, no matter how long standing or milicing. Either sex are invited to she private rooms, 38 North Seventh street, Philadelphia, without fear of interruption from other patients. Stranger and when have been unfortunate in the selection of a physician, are invited to call.

Intervent Through unrestrained indulgence of the passions, by excess or self-abuse, the evils are numerous—Premature impotency, involuntary seminal discharges, wasting of the organ, lose of memory, a distance for female society, general debuity, or constitutional derangement, are to follow. If necessary, consult the dogtor with condence; he offers a perfect cure.

Leave the condend of the first "red by excess of the late of the second of particle, and the late of the second of particle, exclusively devoted to "A red ear, by jingo! 'suddenly burst from his lips

of corn just as the young man had completed his task of kissing every one in the room. "First rate, that?" said he smucking his lips, as he threw himself at her feet. "Wasu't I lucky?"

Kate's indignation had by this time all melted commenced again. Such struggling, wresting, All articles warranted. screaming and laughing. Kate had never heard or seen. The young man who held the prize had all Rio, Saymira, Java. the nerve required to go through with his part, as Kate clearly proved when it came to her turn to receive a salute. The struggle w. s long and well sustained on the part of the maiden; but her fate was Orleans Havana, Crushto be kissed, and kissed by a rough young country.
man whom she had never met before. The deed Stuart Syrup, N. O. Mo-

led back in triumph to the room from whence she had escaped. Red ears were in plenty that evening. It was shrewdly guessed that every young man Raisins, Figs, Lemons, had come at with least two in his pockets, for the Oranges, Pranes, Dates, girls avowed that never before had farmer Brad. Dried Curran's, Preserley's field of corn produced so many. As for Kate sorted, Liquorice, Nuts, she was kissed and kissed, until-as she alleged all kinds. to her friend-making a virtue of necessity, sae submitted with the kindlest grace imagi unble; keting generally, always on hand. No pains spared to

DR. HALSEY'S FOREST WINE!

The discovery of the Ferest Wine is the greatest blessm, of the age. Put up en quart bottles, a single bottle of which does more good, and goes farther in the cure of disease than ten bottles of any Sarsaparilla in use, and warranted to cure with-

It is not to be wondered at then that ten and even new reeds put in at 12½ cents each. Shon over Mr. ken without any perceptible benefit. Not so, with the Little's Hookstore.

G. F. G REEN. Forest Wine. By the invention of a wonderful chemical aparetus, a perfect wine is produced without heating retaining at the same time, all the primitive healing properties of the rare medical plants of which it is composed, thus rendering the Forest Wine the most efficient medicine the world ever produced, at the same time the most ngreeable. NER VOUS DISORDERS

NER VOUS DISORDERS

Are diseases of the mind as well as of the body, are usually brought on by troubles and afflictions, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melanchely frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complain's.

Extract of a letter from Mr. Joseph C. Paulding, dated

DR. G. W. Halsey—Dear Sir, your Forest wine and Pills have cured my wife of a dreadful nervous disorder, with which she had been afflicted for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspuration, and at times aborting under the delusion that something dreadful was about tohelphen to her. By the use of four bottles of the wine, and a box of the pills, she is now in perfect health. URE DRY LEAD, and Lead ground in Oil, wine, and a box of the pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

General Debility. Emaciation, Wasting of the effects, have thrown aside their conventional prejudice, effects, have thrown aside their conventional prejudice, and the profession of the profession of their conventional prejudice, and the profession of t

Body. &c.

Many persons are afflicted with some one of the above complaints, without being able to trace it to any particu-far cause, and therefore delay the use of the proper rem-edy, until the disease becomes constitutional. These disorders are often characterized by a sense of sinking, or entire exhaustion after exercise. Some experience sluggishness insertude, and at times, paleness or flushing of the countenance, palpitation of the heart, or tike symp-

The excellent effects which have ever attended the use of the Forest Wine and Pills, in every species of de bility, is conclusive evidence of its happy results in this class of disorders. Many have resorted to these medicines as an ultimatum, and been specifly cured. For nervous disorders and debility, the Wine and Pills are taken according to the directions on the label

Ague and Fever, or Chills Are caused by the minamic elluvia arising from marshes, decayed vegetations, and low, damp stuations. In Fever and Ague, the Forest Wine and Pills are a sovereign remedy. When they have been taken agreeably to the directions, we have never known them to fail in affecting a complete cure. In the first place, take a large dose of the Forest pills in time, that their operations may at intervals of half an hour, commencing about two hours before the period for the chill to return. This breaks the ague, after which the wine should be continued in small doses, to restore strength. See full directions around the Cash, Farm produce or building tumbertaken in pay-

The Forest Wine and Pills are recommended asnu effithe Forest wine and Filisare recommended again en-cient and certain cure in the following complaints: Dys-pepsia, habitual costiveness, dropsy, complaints of the kidneys, inceptent consumption, decline of general health, and female weakness for which it is a sovereign remedy; languidness, night sweats, nervous disorders, loss of appetite, low spirits, and want of nervous energy, agae and fever, which it never fails to cure: serofala, erysipelas, jaundies, unhealthy color of the akin, weakly and impaired state of the constitution.

DR. HALSEY'S

Gum-Conted Forest Pills Are an important adjunct to the Forest Wine. They are coated with pure gam arabie, an invention for which Doctor Halsey has received the only patent ever granted on Pills, by the government of the United States, The Forest Wine and gen coated Forest Pills, unite in accomplishing the same great end, the parification of the blood, and restoration of the stomach and bowels. TO THE LADIES.

Nothing in the world is more absurd than the custom of using paints, chalks, &c. to improve the countenance True beauty and loveliness aeromouny the highest per-fection of health, which again invariably follows the pu-rest state of the blood. What artificial appendages equal that vivid expression of countrained appendages equal that vivid expression of countrainee which emandes from blooming health! What paints con pare with the crimson colored blood ensing its brillian; research his through the transparent texture of the shird What charms are more captivating than those of nature, in her highest perfection of health! Let 9r. Halsey's Forest Wice stoud these health? Wine, supply the place of all cosmetics. The use of this excelled wine for a short time, creates pure rich blood, which, coursing through the veins, penetrates the minutest fibers that verge toward the starfess of the skin. causing all unhealthy pimples and blot- - to di-appear, pression to the eyes. THIS IS NATURAL DEAUTY

Afflicted Read. Philadelphia Medical House, ETABLISAED 15 YEARS AGO, BY DR. KINKELIN,

tween Spruce and Pine streets, PHILADELPHIA. PHILADELPHIA.

IFTEEN years of extensive and uninterrupted practice spent in this city, have rendered Dr. K. the most expertand successful practi ione; far and near, in the treatment all diseases of a private nature. Persons afflicted with ulcers up on the body, throat, or legs, pain in the head or bones, mercurial rheumatism, strictures, gravel, disease urising from youthful excesses or impurities at the blood whereby the constitutions ses or impurities of the blood, whereby the constitution has become enfechial, are all treated with success.

He who places himself under the caro of Dr. K. may religiously confide in his honor as a gentleman ently rely upon his skill as a physician.
TAKE PARTICULAR NOTICE.

Young men who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and destroy both mind and body—should apply immediately. Weakness and constitutional de hility, loss of muscular energy, physical lassitude and general prostration, irritability, and all nervous affections, indigestion, sluggishness of the liver, and every disease in any way connected with the disorder of the pro-creative functions, cured and the disorder of the pro-creative functions, cured and full vigor restored.

Marchisi's Uterine Catholicon, FOR THE CURE OF A CERTAIN CLASS OF DISEASES INST-

THE superiority of the above compound over all others for the cure of this class of difficulties, and the only remedy in a large portion of such cases, the mmense numbers now afflicted and upon beds of sickness, or otherwise suffering without a remedy, are our inducements to its preparation and die semination throughout the country.
Our knowledge of the

superior remedial powers of this composition. sence upon the female constitution, is founded upon the truths of medical science, and confirmed by the experience of thousands of ladies who have taken of this catholicon with the most happy and universal success for the diseases and derangements FEMALE COMPLAINTS.

Among these are Prolapsus Uteri or falling of the Womb, Chronic Inflammation and Ulceration of the Dr. G. W. Halsey—Dear Sir, your Forest wine and

> medies, aside from the want of a knowledge of the prop-er treatment for the general economy. Already, very and are manifesting a due regard for the welfare of their patients, by recommending the use of this Medicine, and resorting to it themselves in the treatment of all the plaints for which it is intended. The influence of this composition upon the female constitution is of the most friendly kind, the most delicate and feeble female need have no fears in its use for

any length of time, for it contains no mercury, nor any article which can prove in any way injurious being made entirely of vegetable extracts, and prepared so as to taste like a pleasant cordial.

The modus operandi of this remedy, in the cure of

The preparation after undergoing the most labored and scrutinizing trials by scientific men in every possible way to perfect its curative adaptation to this class of laints, for a series of years, has become all that could be desired to fulfillts mission, and by its fruits it may now be known in the cure of thousands, but its career is but just entered upon, for millions of ladies are now suf-

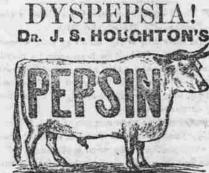

Figure 1 for want of its aid.

Pamphiets containing much useful information touch, ing the nature and symptoms of the above diseases, toether with testimonials from ladies of the highest res-ectability, as certified by the most satisfactory authority in the pamphlet, to all, which the attention of ladies and practitioners is respectfully invited can be had gratis at the store of Curtis Hatch, Druggist, Ravenna.

Central Depot, 304 Broadway, New-York.

Entered according to Act of Congress, in the year 1801, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania. Another Scientific Wonder! GREAT OURE FOR

THE TRUE DIGESTIVE FLUID. OR, GASTRIC JUICE.

Prepared from Rennet, or the fourth stomach of the Ox.nfter directions of Baron Liebig, the great physiological chemist by J. S. Houghton, M. D. Philadelphia, Pa. This is a truly wonderful remedy for Inducation. Dyspessin, Jaundice, Liver complaint, constipation and de-'ity, curing after nature's own method, by nature's own agent, the Gastric Juice.

| Plaff a ten-spoonful of Pepsin, infused in water, will digest or dissolve Five Pounds of Roast Beef in about two hours, out of the stomarh.

| Pepsin is the chief element or great digesting princie of the Gastrie Juice—the solvent of the food, the pur-lying, preserving and stimulating agent of the stomach of Intestines. It is extracted from the digestive stomach

of the Ox, thus forming an artificral Digestive Fluid precisely like the natural Gastrie Juice in its chemical pene-ers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dispepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dispeptics, curing cases of debility, Emacation, Nervous Decline and Dispeptic consumption, supposed to be cat the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable. the Standard works in the various departments of it. The leading and Stendard Stend

> the human stomach."
>
> [F Call on the Agent, and get a descriptive circular, gratis, giving a large amount of scientific evidence, similar to the above together with reports of remarkable cures

ment, but authenticated certificates have been given of more then two hundred remorkable cures in Philadelphia, New York and Boston alone. These were nearly alt desperate cases, and the cures were not only rapid and wonderful, but permanent It is a great nervous antidote, and particularly useful for tendency to Hillions disorder, Liver complaint, fever and ague, or hadly treated fever and ague and the evil

and ague, or badly freated fever and ague and the evil
effects of Quinine, Mercury and other drugs upon the
digestive organs, after a long sickness. Also for excess
in eating, and the too free use of ardent spirits. It almost
reconciles Mealth with Intemperance.

Dr. Houghton's Pepsin is sold by nearly all the dealers in fine drugs and popular Medicinesthroughout the
United States. It is prepared in powder and in fluid form
—and in prescription vials for the use of physicians.

Private circulars for the use of physicians, may be obtained of Dr. Houghton or his agents, describing the
whole process of preparation, and giving the authorities tained of Dr. Houghton or his agents, describing the
whole process of preparation, and giving the authorling
upon which the claims of this new remedy are based.—
As it is not a secret remedy, no objection can be raised
against its use by physicians in respectable standing and
regular prastice. Price, One Bollar per bottle.

If Observe this—every bottle of the genuine Pepsia
bears the written signature of J. S. Houghton, M. D. sole
